About This Content

Mountain Mind the Stoner VR experience is world's first headbanging game.

Mountain Mind EP is explicitly created for the vision and passion behind the Stoner VR Experience Mountain Mind. It is the official soundtrack of Mountain Mind in MP3 format.

This EP is composed and recorded by Melih Küskü, with additions to mixing, editing and vocals from Dogan Çetin.

Tracklist:

1. INTRO (02:14)
2. ASTEROID BLUES (03:49)
3. XARDOZ (03:45)
4. LIKE TEARS IN RAIN (03:41)
5. PALM DESERT '87 (02:39)
6. GODDESS OF TIME (06:29)
7. SUNSET OF VALLEY (01:01)

Intro is what greets you to Mountain Mind world in a calmly manner, with layered solos.

Asteroid Blues is the fusion between rather Homme like riffs with heavily tuned and toned guitar, with a lenghty solo to accompany.

Xardoz is the heaviest and darkest piece of Mountain Mind, you will not be able to stop yourself from headbanging with these heavy riffs and solos behind them.

Like Tears In Rain intro appeared from the thin line between blues and stoner rock, continued to its stoner form with heavy riffs and a vocal to accompany.

Palm Desert '87 is the fastest piece on EP with its well settled riff and layered solos at the end.

Goddess of Time is a one shot improvisation record which takes its inspiration from Colour Haze, it's a journey to live by.

Sunset of Valley is the calm end of the experience, watching sunset in the valley.
